			describe the issue in an organized manner following precise steps

4. UAT Team Roles & Responsibilities

Name	Roles	Responsibilities
Ignazio Sotgiu	Tester	Testing on : ○ Chrome ○ Acer Aspire 5740 ○ Android mobile ○ Samsung Galaxy

5. UAT Entry Criteria

ID	Criteria
5.1	The development of the features to implement is complete
5.2	All reported bugs are fixed
5.3	No high or medium issues are reported
5.4	Hardware and software for testing are available and working correctly

6. UAT Requirements-Based Test Cases

ID	Test Cases

6.1	*Navigation menu mobile and tablet device (no user logged in)*
	
	• *As a user, I can see on the top right of the page a collapsed navigation icon*
	• *As a user, I can see the logo and name of the website in the top center of the screen*
	• *As a user, I can click the navigation icon and expand the navigation menu*
	• *As a user, I can see 3 navigation links:*
	    • *Login*
	    • *Register*
	    • *Info*
	
	Please visit https://build-connected.herokuapp.com/welcome_page
	
	• *Scroll up to the top of the page to see on the right the collapsed navigation icon*
	• *Click on the collapsed navigation icon*
	• *The navigation menu expands and shows 3 navigation links:*
	    • *Login*
	    • *Register*
	    • *Info*
	
	• *Click on the login link*
